

Secure & Easy with **MyKey**

With the launch of Secure Electronic Filing (Secure e-Filing) by IRB, taxpayers can now file their income tax returns online.

Secure e-Filing is the electronic processing & transmission of tax returns to the government via IRB website www.hasilnet.org.my

Taxpayers can download electronic tax return forms from the website, complete the form offline, then sign & submit the form back to IRB using **MyKey**.

Benefits of Secure e-Filing

- Time saving: Eliminates the need to queue for submission
- Convenient: Submit tax returns anytime - 24 hours a day, 7 days a week from your PC
- Fast & accurate: Built-in formulas in the electronic tax forms automatically compute your tax assessment
- Private & secure: Submission is signed & identified using **MyKey**

MyKey is the digital signature software governed by Malaysia's Digital Signature Act 1997 & is accepted by the courts of law in Malaysia.

A document digitally signed with **MyKey** is treated as a legal binding document as it is with a handwritten signature.

Taxpayers need to have **MyKey** in Secure e-Filing :

- to identify themselves over the Internet
- to digitally sign their electronic tax forms &
- to log on to the secure IRB website for income tax submission.

MyKey can be used for other applications that require digital signing. It can also be used to encrypt your confidential documents over the Internet.

Benefits of MyKey

- Proven technology that has been deployed in 4,500 corporations & government organizations, as well as 366,000 e-commerce websites worldwide
- Highest protection for your data & transaction online
- Accurate, secure & legally recognized
- Reliance limit for fraud protection coverage of up to RM 25,000*
- Money back guarantee*

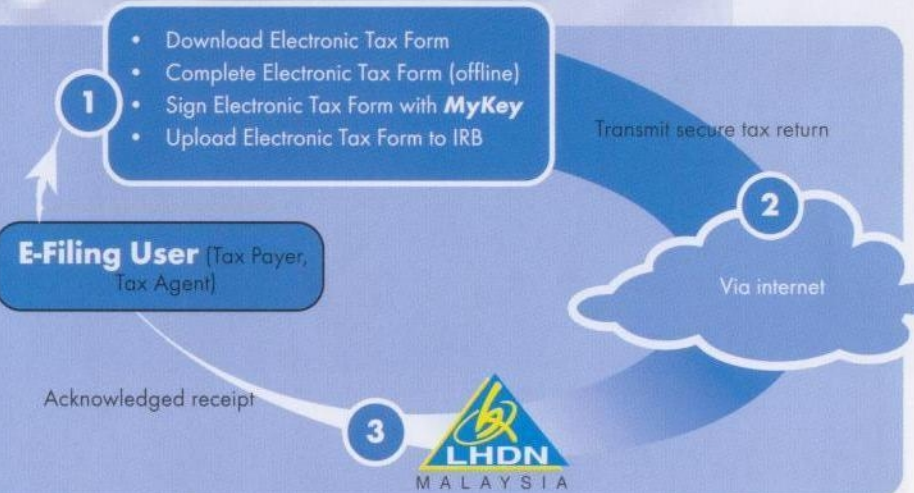

* Terms & conditions apply

Taxpayers who wish to file their income tax return online must have:

- 1 64K Chip MyKad to store **MyKey**
- 2 PC (Win98 & above) with Internet to access the IRB website
- 3 PCSC compliant smartcard reader to read the chip inside MyKad
- 4 **MyKey** to digitally sign your tax return online
